**OUR
FOUNDERS**

**MARINA
& LAIA**

We are a women's jewelry and accessories brand founded in 2021 in Barcelona by Marina and Laia. Inspired during a trip to Nepal, our mission has always been to enjoy what we love doing. The brand name, Susmie's, is derived from a young girl named Susmita, whom we met in Nepal. Her story moved us and inspired us to bring Susmie's to life. What sets us apart is our close connection with our community and the organic content we create, reflecting our lifestyle and everyday experiences. We encourage our followers to break free from monotony, believe in themselves, and embrace the joy and fulfillment life has to offer.
