SS26

SS26 Dolce Far Niente

SS26 imagines a summer full of small joys —the real ones—: a long table under the vines, a song drifting from a nearby house, striped umbrellas, playful tennis games, endless naps and half-read books.

Where time stretches , tomatoes smell like childhood, and toasts never really end.

Where cooking is slow, laughter is loud, everything is shared, and you sleep with the window open.

A celebration of the little pleasures that make this season so big, and a tribute to our Mediterranean roots.
