Endless Summer, Always

HS26 is bright, preppy, and rooted in the feeling of a true endless summer. Motifs draw from vintage ribbons, shells, and the heritage blocks that live at the heart of SZ's DNA. It's an ode to where we come from and a look toward where we're going.

Fresh, wearable, and beautifully transitional, these pieces are made to be cherished: from beach days to evening drinks, softening and becoming even better with every wear. HS26 reflects the depth of SZ, something for every woman in the family, designed to empower, delight, and invite endless compliments.

A collection that makes you feel bright from the outside in.

HAVE A LOOK AT OUR PRINTING PROCESS, EVERYTHING IS HAND PRINTED IN OUR STUDIO IN JAIPUR.
