ABOUT PURE CASHMERE NYC

Pure Cashmere NYC is a professional cashmere brand founded in 2013 and based in New York City, the fashion capital of the world.

Pure Cashmere NYC was born from the idea of making high-quality cashmere accessible to more people so that they can enjoy it daily during the cold winter of New York.

Ideal for New York lifestyle that prioritize fashion and practicality, cashmere is 8 times warmer than wool but thinner and lighter, which makes it perfect for fast-paced and active New Yorkers.

In Pure Cashmere NYC, we proudly offers 100% pure cashmere, transparent price, and sustainable design focused in the pureness, and we are positioning as a leader in the cashmere market along with loyal fans.
